

Our Supporters

At Pride Foundation, we pool resources from individuals across our region and beyond because we know we have the greatest impact when we work together to address the challenges facing LGBTQ+ communities in the Northwest.

We list our supporters by when they made their first gift to Pride Foundation. We do this to honor the rich history, commitment, energy and determination that it will take for LGBTQ+ communities and people to be joyful, safe, and thriving. Whether you are new to Pride Foundation or you have been with us since the beginning – we appreciate you.
